2017 HCEA Conference

September 6 – 8, 2017

Salt Lake City, UT

Dear Prospective Vendor,

The Health Care Education Association is celebrating its 20th Anniversary in 2017! HCEA invites you to join us for our conference September 6-8, 2017 at the University Park Marriott Hotel in Salt Lake City, Utah! Our location is well suited for our conference theme, “Reaching New Heights in Patient Powered Care.”

We have had wonderful vendor participation in the past and encourage you to join us! Our attendees are patient, staff, and community educators from premier health care organizations across the country. They are a valuable source of information and the conference provides the perfect venue for you to connect with them.

Now, more than ever, we need to make the effort to form partnerships and creative solutions that allow us to continue to provide the highest quality education while remaining fiscally responsible. Please take a moment to review the available support opportunities for 2017. Consider sponsoring an event as a platinum sponsor or participate at one of our other support levels. Past vendors have appreciated the opportunity to promote their products and services as part of a vendor panel in front of all conference participants -we know you will, too! Exhibit space is limited, so please act now.

Please contact me if you have any questions. I look forward to seeing you in Salt Lake City next September.

Sincerely,

Diane C. Moyer, RN, MS
