

HEALTH CARE EDUCATION ASSOCIATION

Connecting Patient, Staff & Community Educators, Worldwide

Share Your Story and Experience with Us

Why fill out this form?

The Health Care Education Association (HCEA) is committed to lifelong learning, and **we feel that one of the best ways to learn is through the personal experiences of our members.**

Our vision is to improve quality of life for all people through excellence in health care communication, education, and engagement. **We want to hear how you, as an HCEA member, are making our vision a reality through the work in your organization.**

Please use this form to briefly tell us about your project or initiative. We will contact you for more information and permission to share your story on our website and in our monthly member eBlasts.

Thank you for your time and contributions!

1. Your name, role, organization name and contact information

2. Briefly describe the project, initiative, or resource that demonstrates best practice in health care communication, education, and/or engagement. *Examples include (but are not limited to) a patient experience initiative or patient/family education intervention or tool created.*
 - What was the challenge your organization faced?

 - What was the solution?

 - What were the outcomes?

 - Was a resource created? If so, what was it? Would be willing to share it with HCEA members?
